The game was ar-

Hilltop field at 3 o'clock.

Phillips was agreeably surprised at the hot spell he encountered upon his arrival. The natives say it was rather cold at that this morning with the thermometer at 60.

Nothing new has happened in the way of releases. It is on the slate. however, for a couple of pitchers to get their notices within forty-eight hours to report to other clubs.

Infield Problem.

Both Griff and his associates are still working out on the infield problem. Yesterday O'Neill worked for the first time in three days, and his work opened the eyes of the old-timers. Every day it looks more like this is the youngster that will short this season. Another youngster that has caught the crit-ical eye of the "Old Fox" is Stanley Harris, the second baseman.

y Harris, the second baseman. I have watched many a young Strong Baseball player breaking into the game, but never in my many years of experience have I ever seen a kid play econd base any better than the Pittston. Pa., lad has done in every has been assigned to cover the bag.

If he and O'Neill, if they are se-

lected to cover the two positions on either side of second, do not lead the league in double plays, many an old-timer will be mistaken. This is not only my opinion, but the opinion of many others on the club.

Play Cubans Again.

The final game of the Cuban series will be played tomorrow. This game was arranged yesterday with the manager of the Havana stars, in order to get more work against high-class pitching, such as Tuero will give them. This game should put the boys on edge, as they are now in good phyical condition, except Roth, who complains of a sore ankle, but his eye is in good shape. The pitchers will be in A-1 shape to week. Shaw and Courtney will open the series Tuesday, while Johnson analyzed. and Zachary will work Wednesday. nounced that he was going to lin

Catholic U. Squad Play First Game the 1919 varsity; Watson and Marshall seem to have edge on the rest

Coach Charley Moran sent his Catholic University baseball squad EPIPHANY ATHLETES through a seven inning game yesterday on the Brookland field. The first team won by an 8 to 3 score. Both teams put up a good brand work of Jackson and Lucey was remarkable for the early season play. These lads whipped them over with are staging a "closed indoor events" a hum and a hop, which kept the second string men down to a few

Even though it happened on St. dealer, opened for \$2, having ob-Patrick's Day just passed, this served in his hand four very fetch-champion poker story of how three ing ones—the ten, jack, queen and royal flushes were held in a single king of spades. The next man was deal in one of the quiet and choice Smith, who, in a fleeting glance, residential blocks in Washington is noted he held five diamonds. He vouched for by five honorable gen-

It was the quietest kind of a \$2limit game of the "old army" variety, strictly according to Hoyle-no stripped deck, no deuces wild, no okers. The five men in the game were and are warm personal friends. For purposes of identification they may be called Johnson, Evans, Green, Briggs and Smith the first four names being fictitious but the last real, although no particular significance may be attached to it, for the Smith tribe is large.

Two packs of cards were in use, the conventional "angel backs." They were shuffled by the man behind Johnson, who was the dealer, and cut by the man in front of him. Not the least suspicion was attached to anyone in the game, for none could boast of the least skill in the matter of manipulation of a deck—and, besides, these players are all gentlemen.

This brought the action to the dealer, who threw his hand in: then Evans with his ten, jack, queen, king of spades lifted it two more. this time Smith had observed that his diamonds were a rare collection-the ace, king, queen, jack and ten. There they rested, the fairest, sweetest bunch of cards ever dealt-the dream of a lifetime
